DrivePro. BUILT FOR LIFE.

High-sensitivity image sensor for enhanced night view

Dashcam | DrivePro™ 230

Transcend's DrivePro 230 dashcam was designed with both style and safety in mind. The DrivePro 230 features a Sony image sensor to capture high-resolution videos with extremely fine tonal gradation even in low light. In addition, it features a GPS receiver, a built-in battery, a handy snapshot button, and Wi-Fi connectivity. More than just a safety device, Transcend's DrivePro 230 is a fellow traveler ready to explore more of the world with you.

Built-in GPS receiver logs your driving path

Parking monitoring mode safeguards your vehicle 24/7

- Built-in battery ensures uninterrupted recording
- Wi-Fi connectivity works with the exclusive DrivePro App
- Emergency recording prevents overwriting the current recorded file
- Lane Departure Warning System (LDWS) prevents potential incidents
- Forward Collision Warning System (FCWS) maintains a safe distance
- Driver fatigue alert regularly reminds the driver to be fully rested
- Headlight reminder automatically activates when poor lighting conditions are detected
